Holiday Decorating

We will be decorating our clubhouse on Saturday 11/28 at 10am & need help to make it a special space for all to enjoy. Come join in the merry making! We will be wearing masks, socially distancing, and working in very small groups.

We encourage lights & decorations at your site (hint, hint). This is something everyone can do & we all can enjoy it without putting others at risk.

Let's make it the best year yet!

Road Trip 1 for the Month

La Sal Del Rey

(Translation - King's Salt) One of 3 naturally occurring salt lakes in South Texas and is estimated to be 7 times saltier than the ocean. Located 51 miles south of our park you will find a wonderful place for hiking and birding. Wildlife enthusiasts will find plenty to see in this US Fish and Wildlife Service Refuge. Migrating geese, ducks, shorebirds and Sandhill cranes as well as wintering long-billed curlew.

Directions – Head south on 281 for 47 miles. Exit onto TX-186 and head east for 3.6 miles to the kiosk on the north side of the road.

Watch the White Board in the Clubhouse

For meal/party sign-up sheets... we really do need an accurate count to plan for & appreciate early signups.

For groups that are looking for others to participate (water aerobics, pool league, horseshoe teams, arts and crafting, women's lunch outings, etc.).

Kingsville Symphony Orchestra

Holiday Concert - Saturday 11/21 1 & 3pm

Edward Jones Auditorium T A&M Kingsville
Tickets \$10-\$30 at Kingsville Chamber of Commerce, Convention and Visitors Center, TAMUK or online at kingsvillesymphony.org

What Else Is There to Do Safely?

Play billiards, take a walk and visit with neighbors, go feed fish at golf course pond, play shuffleboard, help with Thanksgiving meal, or start an art project.

Road Trip 2 for the Month – McAllen International Museum of Art and Science

This is a really neat museum to visit and still practice social distancing. They are operating at a limited capacity to promote social distancing (what a better way to see the exhibits than without the crowds). Call ahead to reserve tickets and to make sure your visit does not coincide with other tours/special days. 1900 W. Nolana, Mcallen 956.681.2800

We recommend a few options for a meal away from home – Cowboy Chicken on 10th St, Jimmie's Egg on 10th St, or Rudy's BBQ on Nolana all in McAllen near the Museum.

NEWSLETTER

November 2020

Greetings Countryside Family!

Fall is the time of year for harvesting, gathering, & enjoying the abundance that is the season.

Whether it is enjoying the wonderful citrus from the park trees or perhaps the still available valley watermelons, all are sure to please.

We have amended our activities to promote fun and Covid safety, and know we can all get through this winter safely and together. It will be different. There will be entertainment, there will be activities, there will be food, there will be fun. And most of all, we will be together and do it safely.

We welcome everyone back for another season here at Countryside RV Park. If you are new to the park, we think you will find a wonderful place to set some roots for a few days or for many seasons.

Together is the best place to be. Welcome home!
